 - a.** How many in Western Sydney?

ANSWER: Nil

- 5.** How much is expected to be raised from fines issued under the Smokefree Environment Act in the coming year?

ANSWER: NSW Health's focus is on achieving compliance with the *Smoke-free Environment Act 2000*, rather than raising revenue. NSW Health will only prosecute when compliance is not achieved through other methods. Compliance is frequently achieved through the issue of a warning.

Fines are only imposed by the courts after the court finds an offence proven or after there is a guilty plea. Even where an offence is proven, the court retains the discretion to record a conviction and not impose a fine. As such, an estimate of the level of revenue that may be raised from fines under the *Smoke-free Environment Act 2000* is not possible.
