The Chairman  
Parliamentary Inquiry into the Taxi Industry

Clarification of a Question /Answer to Michael Jools as to the source of his assertion that "Nexus" had been trashed.

Michael Jools advised that his assertion was based on hearsay from a Departmental Official.

The destruction, disposal and mislaying of such files is the subject of several confirmatory comments in the Initial Deloitte Report.

References occur on the (unnumbered ) pages 2 and 5 of the Executive Summary, and on page 7 of Part 2

Such confirmatory comment by Deloitte may possibly be considered sufficient to support those assertions.

Should the Inquiry so consider, it is requested that the assertions stand as part of the record.

Thanking You

Michael Jools
