

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mr Henry Smit

Date received: 15/02/2013

Civil union takes care of legal rights of cohabiting same sex people.

I don't want you to

(a) distort the sanctity of marriage by extending the term beyond the man & wife principle, nor

(b) dignify same sex unions more by making them seem morally acceptable through giving them the name marriage.
