

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Ruth Higgins

Date received: 8/02/2013

I wish to say that the male and female body are arranged to facilitate onle one way for copulation and childbearing. There is no way that two of the same sex would experience the joy of the union as we were created man and woman. Please retain the law that only those of opposite gender be joined in Holy Matrimony,
Thankyou, Ruth Higgins
