**INQUIRY INTO THE PRIVATISATION OF PRISONS AND  
PRISON-RELATED SERVICES**

**Name:** Ms Susan Harris

**Date received:** 23/02/2009

---

Private enterprise has no place in the running of gaols. Profit should not be made from other people's misery. Similar schemes overseas have been a failure and the detention centres operated by the Howard Government provide an example of how disastrous private management is. There are some things that just have to be in government control and some things where profit should not be a consideration.
