I strongly oppose to same sex marriage.

- * Marriage recognises the committed union of a man and a woman to encourage the stable social context needed for resulting children to be raised to responsible adulthood. There are enormous study conducted in this area.

- * Mothers and fathers parent differently, and children need both approaches in order to develop a balanced identity. That is why marriage should remain a union of a man and a woman.

- * Same sex marriage has resulted in many physical sickness due to the lifestyle and sex life. There are many study in this area.

- * Survey has told us that children adopted by same sex couples have x50 higher chance being sexually abused. It is a very dangerous experiment to expose the child in this risk.
