Civic Railway Station

Newcastle 2300

Rev. Fred Nile

Member of the Legislative Council

Parliament House, Macquarie St, Sydney 2000.

Dear Sir,

I am the proprietor of the Civic Station Kiosk. The service I provide is information light meals, Takeaways, Tea and Coffee, fruit drinks and the daily papers.

There are excellent facilities including Railway Station attendant who provides cloak room, and in clean condition, Ladies Waiting Room, Mens and Ladies toilets as well as rapid transport to the Central Coast and Central and most important up the Valley to Maitland, Telarah Dungog and Scone.

This will be all made redundant with the State Government plan to give an inadequate transport system to Newcastle.

Yours faithfully,
