**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Name: Mr Darryn Clifton

Date received: 25/02/2009

Sure, some people aren't perfect but look what we are up against, we face what other people fear.

Keep the Gaols professional and in Public hands.

Selling off to the private sector will only increase the problems WE now face on a daily basis.

There is no better control, than to control it yourself.
