Mrs. Jeanette. Blue

Dear Sir or Madam,

I wish to make known my complaint about the NSW Dental System. I have waited 6 months for an appointment to be assessed. When I got to the hospital I was informed that there is a 3 year waiting list. While I was in the waiting room there were lots of other people on the same list. After being assessed I was told that I needed new dentures as the teeth have worn down level with the gums. Perhaps this is the cause of my digestion problems.

I would like to know why there is no funding for the Dental Hospital as there are many others like me and children too.
