

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mr Mark Goatley

Date received: 15/02/2013

I wish to state that it is imperative that the institution of marriage be kept as defined as one man and one woman. The implications for kids is huge. Every child has the right to have access to a mum and a Dad. They need both for their best chances to grow up healthy.

Please lead us as elected representatives. Be bold and stand for what is right here. Not everything is OK, perverse is a real word and we need to draw a line with marriage and keep it between one woman and one man.
