**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

What an absolutely ridiculous idea - I am unsure who is making all these decisions. Leave the system as it is - perhaps make better legislation on making people work for the doll or something of more importance other than selling off our prisons. I think that it is just disgusting that all of these wonderful people working in these places looking after the bad arse people of society now look like loosing there jobs - WAKE UP!!!!
