## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Ms Kristin Thiele

**Date received:** 30/01/2013

---

I support marriage equality. It is, in my opinion, a travesty that we as a society choose who a person is allowed to publicly declare love for. It seems to me, that it is my duty to stand up and support my fellow humans in their desire to marry whomever they deem worthy of the role of 'life partner'.
