## **INQUIRY INTO EDUCATION AMENDMENT (ETHICS CLASSES REPEAL) BILL 2011**

**Name:** Mrs Karen Glynn

**Date received:** 24/02/2012

---

Please do not repeal the Education Act (Ethics) 2010.

It is important that children be given an alternative to religious education besides doing nothing if their parents do not wish them to participate in scripture classes. Ethics helps children to think issues through in regard to why things are right or wrong with sound reasoning
