**INQUIRY INTO THE PROVISION OF EDUCATION TO
STUDENTS WITH A DISABILITY OR SPECIAL NEEDS**

Name: Ms Lynn Marini

Date received: 25/01/2010

I currently work as a School Learning Support Officer - when the name changed from Teacher's Aide Special we thought our work was being acknowledged and valued but maybe not so...schools need us, teachers need us and students most definitely need us and benefit from our presence in the classroom; they need us to stay there!
