THE TRANSPORT NEEDS OF SYDNEY'S NORTH-WEST SECTOR

Name: Maximo Buch

Date received: 3/10/2008

I live in West Pennant Hills and take the train whenever I must travel to the city. The only convenient train stations for me are in Pennant Hills and Beecroft. In Pennant Hills there is no parking available next to the station and in Beecroft the existing parking lot is usually full. Can sufficient parking space be made available, please?
