## INQUIRY INTO COAL SEAM GAS

Name: Name suppressed  
Date received: 5/09/2011

---

*Partially Confidential*

As a citizen living in a so called democratic country I strongly object to the forced invasion of our prime pastureland, the destruction of lifestyle, the pollution of water and environment and the mis information which is being given to the populace by the Coal Seam Gas companies and the Government who is allowing these atrocities to happen. I request that an inquiry into this situation be held immediatly.
