

## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Mr Douglas Prendergast

**Date received:** 8/02/2013

---

I am a 71 year old Hetrosexual, married 45 years with two sons.

The eldest is married withj 2 daughters.

My youngest son is Gay with a partner, a microbiologist, who been together for more than 5 years.

Why can my first be married and my second cannot because he does not fancy women ?.

If the marriage is not conducted is not conducted in a church it is only a civil ceremony and should therefore not afront anyone!!

Sincerely,Doug Prendergast
