## **INQUIRY INTO GREYHOUND RACING IN NSW**

Dear Director,

Dear MP,

Please investigate the unlawful and cruel treatment of greyhounds within the racing industry. It is shocking to hear the horrible stories brought to my attention by Animal Australia who do exceptional work for animals. I ask that you count my vote to investigate and help stop this happening. No animal deserves this treatment but as humans some think we have the right to treat animals how we want, but it has to stop. Now.

Sincerely,

Josephine Comb
