

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 15/02/2013

Partially Confidential

I will be brief, I feel very strongly on the same sex marriage bill being pushed in state parliament.
There should only be heterosexual marriage by law, we should not be swayed by a noisy minority.
This is not an advancement of society. Children have a right and a need for a female mother and male father.
