

INQUIRY INTO GREYHOUND RACING IN NSW

Name: Name suppressed

Date received: 24/10/2013

Partially Confidential

I may be from the US, but I believe animal exploitation must stop everywhere. Stop the breeding and killing of dogs as a "by product" of the human vice of gambling. Why do people gamble 1. they hope to get money for little effort, or 2. they have an addiction. STOP THE USE OF LIVE ANIMAL AT GAMBLING OR "ENTERTAINMENT" ENTITIES, THIS INCLUDES ANIMAL RACING, DOG FIGHTING, ROOSTER FIGHTING, DOG SLED RACING, RODEOS, CIRCUSES, ETC.

THESE ARE INCREDIBLY CRUEL THE ANIMALS SUFFER HORRIBLE INJURIES AND CONFINEMENT, AND DON'T GET TO SOCIALIZE AND PARTICIPATE IN NATURAL BEHAVIORS.

Racing dogs can have their delicate leg bones snapped in half, with only skin keeping their leg attached to their bodies. They must spend hours, days in tiny cages.

These are living breathing, FEELING creatures, USED FOR THE PERSONAL GAIN OF A HUMAN, at their expense. Then they are killed and thrown away like trash, when they lose their "usefulness".

Their ONLY "use", should be being properly cared for and cherished companions to caring SELFLESS humans.
