Marriage is a word given to us by our Creator otherwise we wouldn't even know, the version of marriage was also given to us by our creator so any version outside of Gods parameters is called perversion. Sugar coat it any way you like but thats what these people are `perverts` who cannot contribute to our society with children. All they do is take and pillage from the normal people who sustain our societies with loving family`s. there are now statistics that support there `children` are suffreing more emotional and mental problems than normal families. Thankyou for that (sarcasm
