Summary

Thankyou for your response in relation to accepting our submission from the Moonee Action Group
MAG for the Inquiry into Pacific Highway Upgrades September 2005.

For the additional Inquiry into proposed upgrades of the Pacific Highway in Coffs Harbour MAG wish
to support the submission from the Bypass Action Network BAN.

In terms of the highway upgrade it is important to ensure:

immediate safety issues

the separation of local and interstate traffic to the greatest extent possible

specific environmental characteristics of this region

noise and pollution issues

Yours sincerely,

Sandy Van Veluwen
