INQUIRY INTO GREYHOUND RACING IN NSW

Name: Peter Koulouris

Date received: 6/11/2013

Subject: Protect Greyhounds

Dear Director,

The doping and cruelty associated with greyhound racing must be stopped.

The industry is known to be corrupt.

The actions of NSW Greyhounds officials and trainers must be investigated and recommendations to address it must be made and implemented.

Too many greyhounds are killed each year due to massive overbreeding.

Please ensure this inquiry results in real action.

Sincerely,

Peter Koulouris
