

## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Miss Louise Watkinson

**Date received:** 30/01/2013

---

I believe it is every human beings right to love and by denying same sex marriage for LGBT community you deny rights to many of Australians who cherish all their other rights to live as free people.

I do not believe that marriage should be a government decision, it is a matter of love, not politics.
