## **INQUIRY INTO GREYHOUND RACING IN NSW**

Dear Director,

To whom it may concern,

Please stop the horrible abuse that is greyhound racing and breeding. Greyhounds are a beautiful and gentle breed and exploiting them for gambling and entertainment is disgusting. What type of society are we that finds pleasure in abusing defenseless creatures such as greyhounds? By taking a stance to end greyhound racing you will send out a strong message that we are a society that does not accept nor tolerate the abuse of defenseless animals.

Please stop the exploitation of greyhounds, they are the most amazing dogs and dont deserve to be drugged, beaten and exploited for human entertainment.

Kind regards from a greyhound lover.

Sincerely,

Trish Olej
