## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Mrs Jillian Wilson

**Date received:** 6/02/2013

---

Marriage issues should be decided for Australia as a whole by the federal parliament. It is our opinion that the decision of the Federal Government to not allow same sex marriage should be maintained within the States as well to avoid confusion over this issue.

Please consider this matter carefully to maintain the current standing.

Yours sincerely

Jillian Wilson
