Organisation: Name suppressed

Date received: 7/07/2015

Partially Confidential

unanimously passed the following motion at the last meeting on Wednesday June 24th.

Background

Residents complained that they had not received the literature that Council claims had been mailed to them. A number of residents noted that they had not met anyone who had in fact, received the information that it was claimed had been posted by Council

That is opposed to an amalgamation with Randwick council or any other council for the following reasons :

1. The Council has not adequately consulted with residents through the use of open, information forums on the advantages and disadvantages of such a merger
2. The residents have not been given adequate or sufficient information on the proposed merger
3. Council is already cooperating with adjoining councils through SSROC (South Sydney Region of Councils) and the SCCG (Sydney Coastal Councils Group) on a variety of common areas of interest and concern.
