Dear Director,

SAVE THESE POOR ANIMALS!!! I think it is disgusting that you can allow for such action to still continue. NO ONE OR ANIMAL deserves this treatment and YOU should be held accountable for this disgusting treatment. You make yourselves look like idiots and not only should you not have a job but should have to face those who see the pain on a daily basis.

You make me sick!!!!

You don't deserve to leading anything you disgusting people!

PLEASE SAVE THESE DOGS

Sincerely,

Sam Cremor
