INQUIRY INTO GREYHOUND RACING IN NSW

Subject: Save greyhounds!

Dear Director,

I was watching Abc's 7.30 timeslot about greyhounds and how they are being treated to race faster. Giving them cocaine, speed etc is absolutely disgusting. And to make it even worse they are being shot and treated horribly to their death just because they arnt 'fast enough'. The fact that have the needle is lucky for them makes me feel sick. SOMEONE NEEDS TO TAKE ACTION. These dogs are beautiful creatures whereas their owners.. They are disgusting. The dramatic number of deaths for greyhounds lately is putrid. This needs to stop! Make the owners suffer!

Sincerely,

Chloe Davies
