## INQUIRY INTO GREYHOUND RACING IN NSW

**Name:** Name suppressed

**Date received:** 6/11/2013

---

Partially Confidential

I wish to register my concern for the treatment of greyhounds and request that greyhound racing be stopped from being an accepted sport. The negative social implications gambling has on families and the appalling treatment of all animals involved is something we should be ashamed of. The fact that government is willing to support this is something I strongly disagree with.
