like acknowledgement to.

I would like to make "the block" a
School of Arts for Aborigine & indigenous
peoples. This proposal will be equivalent
to higher education.

To move forward in bringing back the
spirit & lifting moral to the community.

Making the area of importance for
tourism & equality amongst the community.
No public housing with in "the Block"
area surrounding.

Library services & projects such as
community district pick up reading
at local library, for the
children in the community.

Education in schools on their own
race & teaching Aboriginal history,
& culture.

~~Also~~ School of Art to engage in
Art subject from music —
painting & photography.

I would like to conclude in thanking
you again for give the community
an opportunity for this submission.
