**INQUIRY INTO THE BUILDING THE EDUCATION
REVOLUTION PROGRAM**

Name: Mr Richard Clegg

Date received: 7/06/2010

I am a resident of Tottenham and have educated our six children at the Tottenham Central Public School.

I strongly object to the scandalous waste of public money regarding the Tottenham School Canteen.

We have seen an official letter which attempts to defend the outrageous costs including some \$23,000 for demolition, when in fact there was nothing to demolish. This is just one example of the lies given to the Australian public in trying to cover-up the issue.

I would be very willing to give further evidence as this debacle should be properly exposed.
