**Submission to the Inquiry into the Program of Appliances for Disabled People**

Thank you for giving me the opportunity to make this submission to the Inquiry into the NSW Program of Appliances Disabled People.

**Submission:**

1. As a user of PADP if it's not adequacy funded. I have to wait for vital equipment. .
2. People have to stay in hospital longer.
3. Under the current system we deal with only one client officer and are not treated like a number.
4. I have been a quad for 15 years. The only thing wrong with PADP is the lack of funding.

Again, thank you for providing the opportunity to make a submission to the Inquiry into the NSW PADP; I trust that these issues above will be given serious consideration and that the inquiry results in a positive outcome.

Yours sincerely,

Mark Malouf
