INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 7/02/2013

Partially Confidential

I would like to affirm what I am sure many others have also submitted - that marriage is between a man and a woman; that is the definition of marriage. It involves a man and a woman.

As an analogy, archery involves a bow and an arrow; you cannot redefine archery to involve two arrows or two bows - it is no longer archery. It just isn't. In the same way, you cannot redefine marriage to involve two people of the same sex - it is no longer marriage.

I oppose any change to the definition of marriage.
