INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mrs Lindy Leslie

Date received: 15/02/2013

Gay marriage creates a situation where children will be raised in a “family” where they don’t know their real mum or dad . That seems really sad to me , the rights of the parents being considered more important than the rights of the child . I have heard it said that we may be creating a new ‘stolen generation’ & that makes me deeply uncomfortable .Let’s leave marriage as it is .
