

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Niki Andrews

Date received: 12/02/2013

Please be advised that this petition is made in SUPPORT of marriage equality. In my opinion, love is love and has nothing to do with gender. It is criminal to me that my friends who are gay are unable to have this very basic civil right. Homosexuality should not be a barrier to two people expressing their love and commitment for one another through marriage.
