## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Ms Donna Walmsley

Dear Director,

I work with a a privately run & funded rescue group and currently have two beautiful greyhounds in my care. They are the most gentle, loving creatures that I have ever cared for.

How the Government, the public & the world can stand by & let them be treated the way they are is deplorable.

At some piont some body has to stand up & say as individuals, as a nation & as human beings we will not stand for this abuse any longer!!

Sincerely,

Donna Walmsley
