**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Name: Mr David Hunt

Date received: 25/02/2009

There are some services to the public that must remain a public service and this is one. Felon rehabilitation programmes will suffer as the private operator tries to maximise profit, therefore creating a never ending circle of no rehab, release, crime, conviction, sentencing, no rehab, release, etc, etc. Get the picture?
