INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Krystie Dippel

Date received: 6/11/2013

Dear Director,

Wow, the treatment of these dogs is horrid! Though completely believable, I used to live next door to a guy who punched and kicked his greyhounds and when they weren't being belted they were on a treadmill all day crying.

People are complete that way but is there really any way to monitor what people do to their dogs? What can be done?
I dare say nothing, I hope I'm wrong.

Sincerely,

Krystie Dippel
