

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mrs June Perry

Date received: 15/02/2013

I do not agree with same sex marriage. I love the people but not their sexual conduct.

Marriage is between a man and a woman, created by God ,and should remain that way. Outside of these boundaries is not good.

I think of children and the confusion.

Gay people are portrayed as the most happy, in love people ever. We don't hear about them splitting up, getting angry etc. Why not?
