## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

I am deeply concerned about the attempt to extend marriage laws to apply to same sex couples. Our current marriage laws confirm and recognize that children need a male and a female parent. Just as both sexes are essential for a child to be conceived, in the same way they are essential for a child to be nurtured and raised to healthy adulthood. The lack of either sex parent produces deep soul wounds in children. Our families, our society and our nation need you to make a stand and to protect the laws on marriage between a man and a woman.
