**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Name: Ms Rae Davis

Date received: 24/02/2009

I would like to register my objection to prisons in New South Wales being sold off and run for profit. The job losses throughout the community of experienced professional prison officers would have a profound effect on families. The safety of officers and inmates would be compromised in a system run for profit. There would be a loss of transparency and accountability as management of privately owned prisons focused on making a profit. I urge the Committee to allow Parklea and Cessnock prisons to remain public prisons.
