**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Name: Name suppressed
Date received: 24/02/2009

Partially Confidential

Our corrective services department should not be run by people for profit. The taxpayers of the state deserve to be protected from those incarcerated by a dept that has to answer to the people, and those employed by these facilities need to know their jobs are secure and answerable to a higher power other than those sitting in ivory towers.
