INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 16/02/2013

Partially Confidential

Homosexual advocate, Andrew Sullivan, said the essence of marriage is "unique and profound friendship". Based on this point, an old man can marry a young boy, or an old woman can marry a young girl, as long as they argue that they have "a unique and profound friendship". All the paedophiles can get rid of all charges by using this excuse.
