

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 30/01/2013

Partially Confidential

I am proud that I live in a country that believes all its citizens are equal, however when it come to marriage laws we fall far behind in equality. It is no longer a time to talk about equal right for all Australians, but to put it into reality. Let's show Australia and the whole world that each and every Australian is valued and are equal.
