INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mrs Joan Clark

Date received: 15/02/2013

It has come to my attention that a committee has been formed in NSW Parliament to re-define marriage. It's nice to know that it is possible for both parties to agree on something, but this is not the 'thing'. How can you redefine a word that has been in being for thousands of years, just to gain some political points. Marriage will always be between a man and a woman. Why don't you come up with a new word to describe other unions?
