

INQUIRY INTO NSW TAXI INDUSTRY

Organisation: Spinal Campaign
Name: Mr Peter Yeo
Date received: 13/01/2010

To The Committee Investigating The NSW Taxi Industry

Dear All,

I am appalled with you Government not having accessible taxis for power wheelchairs!

I refer to your Flash cabs where 95% of wheelchairs are too small to fit a power wheelchair with a passenger sitting in the wheelchair!

Whoever is responsible for this appalling error should be severely reprimanded - and immediately!

Yours faithfully
Peter Yeo
