

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 15/02/2013

Partially Confidential

I am asking you not to redefine marriage. This is not a state issue and the federal government has already ruled on this. Children need the input of both man and woman. A father has a special role as he gives his child their identity. History all over the globe shows us the benefits of heterosexual marriages. Thanking you for your consideration in this matter.

Yours sincerely
