Please keep marriage between male and female.

God made it between male and female - you can not change that.

Gay marriage is clearly wrong and will ruin our society.

Think of our children. They need male and female parents who can be role models for them.

Gays cannot have babies - they cannot raise them. It is very sick to think that two gays can look after innocent children and bring them up in an unhealthy environment

Gays have health risks that waste tax payers money.

Dont even bother wasting politicians time and our money on this topic.

Vote NO to gay marriage.
