**INQUIRY INTO REGISTERED NURSES IN NEW SOUTH
WALES NURSING HOMES**

Name: Name suppressed

Date received: 23/07/2015

Partially Confidential

I am a RN working in an aged care facility. More and more people are being admitted at a later age for palliative care. This has to be administered by an experienced registered nurse. I have many years experience in palliative care and feel concerned about the lack of quality care and dignity our elders will receive if RNs are not employed to do so.
